

Our trip to London :

First, we left Paris by eurostar at 6.14 am. We arrived at 8.13 in London. Then we took the tube (Saint Pancras station to Saint James's Park). It was cloudy in London.

To begin with, we saw houses of parliament, Big Ben and Westminster Abbey. Then we went to Buckingham Palace and we saw «The Changing of the guard ». Next, we ate sandwiches in Saint James's Park. After, we went on London Eye. And finally we went to Oxford Street and bought souvenirs.

It was such a great day ! London is a beautiful city and I had an amazing time with my friends and all the teachers.

For me the best moment was when we were on London Eye. What a view !
